

ATTENTION HUNTERS

In two years you may not have access to another generation of wise hunting partners.

That's right - your hunting dogs !

They track your game, retrieve your quarry, and don't gripe about the weather.

For years you've enjoyed the companionship of good field dogs but if Assemblyman Levine has his way, you won't be allowed to produce another generation of partners.

Assembly Bill 1634, if it passes, will require all dogs and cats in CA to be altered by 4 months.

The bill has token concessions for registered dogs, but if your sporting dogs aren't registered with the American Kennel Club, you're out of luck as well as out of field dogs. Your talented working dogs must be fixed or you take home a \$500 fine.

IF YOU WANT TO HAVE FUTURE GENERATIONS OF GOOD FIELD DOGS, THEN CONTACT EVERY CALIFORNIA STATE ASSEMBLY MEMBER, ASK THEM TO VOTE
