

# Attention Ranchers

You are about to lose future generations of ranch hands - your ranch "hands" with four feet.

## That's right - your ranch dogs !

They gather your stock, protect the herd, and don't gripe about the weather.

You've had generations of good stock dogs but if Assemblyman Levine has his way, you won't be allowed to produce another generation of partners. Assembly Bill 1634, if it passes, will require all dogs and cats in CA to be altered by 4 months. There are token concessions to registered dogs, but if your working stock isn't registered with the American Kennel Club, you're out of luck and working dogs. Your talented working dogs must be fixed or you take home a \$500 fine.

IF YOU WANT TO HAVE FUTURE GENERATIONS OF YOUR STOCK DOGS THEN CONTACT EVERY CALIFORNIA STATE ASSEMBLY MEMBER, ASK THEM TO VOTE
